I met with Margo yesterday and she “must” clean the sidewalk and street that night as that is her promise to the Merchants. She would like to call Derryl to see if he would be willing to do it, but she would like your blessing first. She was paying between 120 and 180 depending on whether she had a local guy or a company. No blowing because Ayara is still open – so about 10:30 pm someone hoses down the sidewalks and “vacuums” the street. (hosing as necessary, it sounds like)

Trash – she says she fills up the trash on Friday night...therefore, we are going to need 2 pickups that weekend and then one for each of the other weekends. It is \$88.00 per pickup. Perhaps I need to look into 2 bins...I will check to see if Cynthia fills up the bin

It looks like we have to sit down and figure this out upon your return.
Maybe on vacation you will have a vision!
